WORK EXPERIENCE

PICKARD CHILTON - ARCHITECT & SENIOR ASSOCIATE

New Haven, Connecticut, USA

Jan 2019 - Present

- Led design efforts on commercial and residential highrise projects of varying scales, contributing from master planning through concept, schematic, and design development.
- Managed design teams, overseeing resources and aligning project goals with client expectations.
- Developed and managed studio's mentorship program for colleagues
- Coordinated closely with consultants to resolve design challenges and ensure seamless project execution.
- Worked alongside the Architect of Record (AOR) during construction documentation and administration to uphold design integrity and support project delivery.
- Spearheaded multiple prominent projects as project lead, including:
 1. Mixed-Use Residential Development, Southwest US
1.4 M GSF // Competition Entry, Concept Design, Schematic Design
 2. 530 Howard St, San Francisco, CA
860,000 GSF // Concept Design, Schematic Design
 3. CoStar Group Corporate Campus, Richmond, VA
750,000 GSF // Master Plan, Schematic Design, Design Development
 4. Le Coeur, Düsseldorf, Germany
452,000 GSF // Competition Entry, Schematic Design
 5. Next Generation Workplace, Amsterdam, The Netherlands
377,000 GSF // Request for Proposal - Competition

POPE DESIGN GROUP - INTERN

Saint Paul, Minnesota, USA

Summer & Fall 2017, Summer 2018

- Worked with a project team to produce construction drawings of various commercial, senior-living, and healthcare projects.
- Assisted in the production of architectural drawings, including plans, renderings, and construction documents. Key projects as follows:
 1. The CAPP Mixed Use Development, Minneapolis, MN
 2. Brio Senior Living, Johnston, IA
